1. Describe any on-line coursework you have already completed, please. Was it totally on-line? Did you have weekly video or live time with teacher? Etc.

2. Please list your travels in the U.S. and in other countries:

3. Please list any geography classes, courses, or books with a geography theme that you have taken or read. Also include any geography-related activities, such as the Geography Bee, etc. that you have participated in.

4. Please write a few paragraphs (at least two!) that describe you. Tell us about your favorite things, a typical day in your life, your dreams and goals for the future, your favorite authors and books, videos, etc. We will share this on our class website (only!) under "Bio's" section, so that your fellow students and I will know a little about you!
